ADMINISTRATION

MESSAGE FROM OUR PRINCIPAL

During the past several months, American citizens have been shocked at repeated revelations of scandal and corruption in practically every level of government, from local to national. To the thoughtful person, these episodes could hardly have been surprising; for our modern emphasis on pleasure, money, and technical skill, with the attendant abandonment of the culture of the mind, not to mention the neutralizing of religious and moral influences, could scarcely have led in any other direction.

Catholic schools have been criticized, and unfavorably compared with other institutions, for their adherence to a traditional or "reactionary," program of education. Yet only such a system, which alone can train the student not only how to make a living, but also, and more important, how to live, can be trusted to produce citizens worthy of our great national traditions.

If it is true that others will produce more and better chemists, engineers, scientists, and technologists, then it is, also true that the Catholic school will graduate men and women better trained in the principles of true patriotism, justice, and charity. Others may teach students how to make money; but the Catholic school teaches students how to save their souls. "For what does it profit a man if he gains the whole world, but suffers the loss of his own soul?" (Mark 8:36)

"Pro Deo et Patria"—"For God and Country" is the motto of our High School. Our Savior stated that the first and greatest commandment embraces a wholehearted love of God. Ultimately all our training, all our knowledge, all our works must be directed toward Him. The purpose of the Catholic school is to show you how this can be done; and when one has been well trained in the love of God, then inevitably and necessarily love of country must follow.

OUR TRIBUTE TO THE FACULTY

We, the senior class of 1952, wish to express our sincere gratitude to you, the members of the faculty for your tireless efforts in giving us a Christian education. As the seal of the school exemplifies, you have taught us that the lamp of true learning is only lighted at the foot of the cross, and that only by living a good Christian life will we attain success and happiness. Reflecting on our school years in later life, we will always remember you, and hold you among our "Memories."

music for all our programs.

THE MANGER PRINCE

The Christmas Story in tableaux and songs, was the subject of our Christmas Cantata. To say that it was a success is putting it mildly.

THE BELLE OF BAGDAD

When an American comes to Mesopotamia and begins courting the Belle of Bagdad, anything can happen.

THE STAFF OF THE CRIMSON TIMES

Ambition set these groups to work on our newest project—The Crimson Times. The first issue, after approximately four weeks time, was out on the 8th of February.

The paper started on an idea, was passed around for savoring and began to show promise after a week of work. It was hurry, scurry, as the staff worked day and night producing the paper. With a deadline to be met, script came in ever so slowly. But, in the nick of time, every article was placed.

The first issue contained 6400 words, all gathered by thirty-three students. Since the paper needed more news, more people were added to the staff. The paper was entirely student planned, student edited and student managed. The senior members of the staff sincerely wish the underclassmen all the luck in the future in their issues.

"UNCLE FRED FLITS BY"

"Thankful for their aid, we know we could not have had much without them."

"UNCLE FRED FLITS BY"

Most people wish they had a fairy godmother, but when Uncle Fred delegates himself as his nephew's benefactor, Pongo considers himself anything but lucky.

"Chief among which is Father McCaa!"

"Don't go away mad, just go away!"

JUNIOR-SENIOR PROM

Our Seniors dance while Mary looks on!

A few beaus with their belles and how pleased they look!

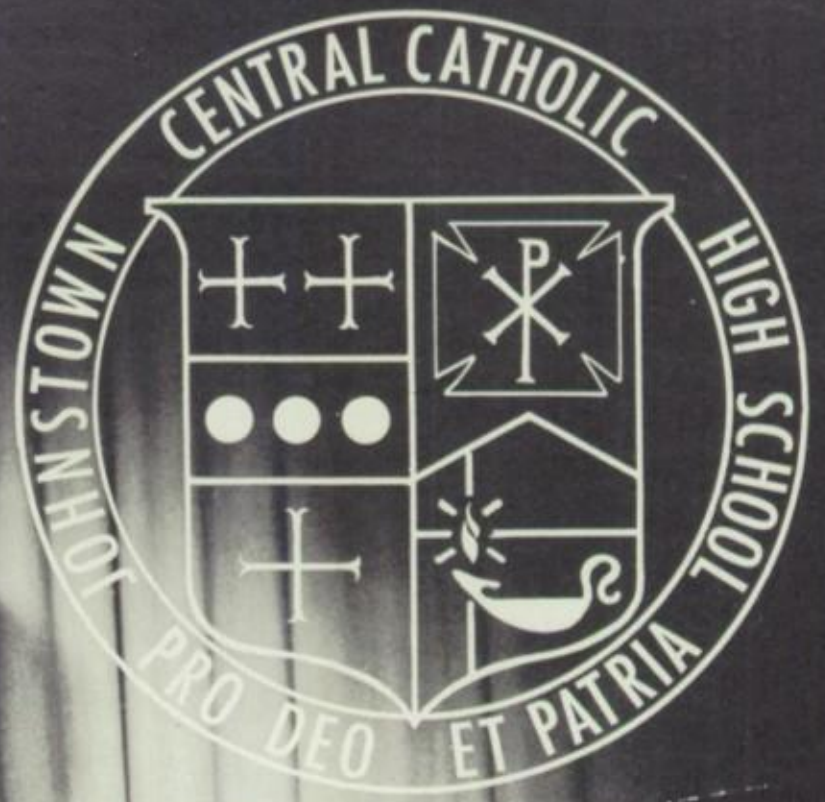

What evening is complete without refreshments?
And refreshments with pleasant company!

An outstanding worker for Catholic High, Francis Paros raised very close to one hundred dollars in Yearbook Patrons. He was "tops" also in the Magazine Drive.

These are the people who "totaled and reported" the efforts of the entire student body in our very successful Magazine Drive of 1951.

Miss Ruth Markferding comes in for a large share of our gratitude—"ever smiling and willing!"

THE SENIOR CRUSHERETTES

The Crusherettes, organized early in the scholastic season, had an enjoyable record of athletic achievement. Girls' basketball at J. C. H. S. fostered a spirit of team work in a friendly atmosphere. Highlighting the first semester was the game between the Senior and Junior varsity which the Seniors won with a 28-9 score.

Our "pinnies" added color and distinction to the second semester Crimson and Gold League games. In each league there were five teams made up of girls from different divisions. With seniors as coach-captains; Pat Hoy, Pat Chudik, and Kay Froehlich as referees; our combination time-keeper, score-keeper, Shirley Snyder; our seamstress, Mary Ann Hruska (pinnies), the versatility of our Senior Crusherettes was ably displayed.

FIRST ROW—Coach Majer, Ed Smith, Lou Furman, Joe Tracy, George Zedlar, Ray Bresnick, and Manager Dick Holtzman.

SECOND ROW—Paul Janshego, Bob Vilchinsky, Bob Bulas, Jim Regan, Jim Kozora, Manager Dick Polonkey, and Coach Johnson.

SEAL
OF
JOHNSTOWN
CATHOLIC
HIGH
SCHOOL

DESCRIPTION OF SEAL

The Escutcheon of Johnstown Catholic High School on which are impaled the Diocesan and School Seals may be described as follows:

The Dexter Side contains the Seal of the Diocese of Altoona.

The Sinister Side, the seal of Johnstown Catholic, symbolizes the Lamp of Learning at the foot of the cross.

It contains a parted field of gold and crimson with appropriate symbols to carry out the ideal of the school.

On the gold field is a crimson Maltese Cross, of four spreading or triangular arms of equal length, to symbolize the spreading of the Gospel to share in Man's Redemption. It is imprinted with the Chi-rho, the Greek symbol for Christ, "The Light of The World."

On the crimson chevron is a gold lamp of learning spreading its light to the North, South, East and West.

The motto is "Pro Deo et Patria"—For God and Country.
